WHAT WE ARE / ARE NOT

Azul Montana is supportive, substance-free recovery housing. Residents are licensees, not tenants.

We are not treatment, detox, clinical care, medication management, assisted living, or an emergency shelter.

WHO WE SERVE

- Adults seeking structured, substance-free supportive housing in the Orlando metro.
- People who can participate in shared living and follow written house standards.
- Residents connected with outside recovery, employment, court, case-management, or community supports as appropriate.

GOVERNANCE DIFFERENTIATOR

- Formal written Policy & Procedures Manual guiding house standards and operations.
- Written residents' rights, formal grievance process, progressive discipline, and consistent enforcement.
- Pursuing FARR certification under Fla. Stat. 397.487; no certification status is claimed until awarded.

INTAKE CRITERIA

- High-level fit review for recovery housing readiness, safety, house compatibility, and ability to follow expectations.
- Initial outreach should include only basic contact information and non-sensitive fit or availability questions.
- Please do not send Social Security Numbers, diagnoses, medication lists, criminal history, or other sensitive personal information in the first inquiry.

HOUSE MODEL
